

Our Services

Transforming your brand identity, and collateral, to outpace your competition is the focus of Bauart Creative Services. We are consultative, experienced, and ready to deliver advertising and creative services that will make you look great.

"Bauart clients come to us for many reasons but their single desire is to alter their perception to the world."

Every client we engage — from leisure and hospitality to oil and gas — has the same goal, to innovate and transform their identity to outstep their competitors.

Our services include: Web 2.0 Website design and programming, interactive E-media, advertising, video design, print, photography, graphic design, online annual reports, logos, corporate branding, direct mail, Flash design and animation, corporate presentations, PowerPoint, Holiday cards, naming, graphic standards, stationery packages, and marketing collateral.
